IT IS A SUCCESS

First Month of Temporary Detention Home Favorable.

Proves the Need of Permanent Institution in Topeka.

JUVENILE OFFICERS FAVOR IT

Eleven Inmates Cared for in Month of January.

Their Maintenance Cost County Only 56 Cents a Day.

That the results obtained during the first month of the temporary detention home for juveniles has been established clearly proves the need of a permanent institution for juveniles is the conviction of Hugh MacFarland, juvenile judge of Shawnee county, and Ed Rooney, probation officer.

The temporary home was established January 1, at 418 Van Buren street by the board of county commissioners as an experiment to ascertain the need of such an institution in Topeka. During January eleven children were placed in the home and were cared for at a cost of \$75—which is a little more than 56 cents a day.

The juveniles were cared for at about three-fourths the cost of keeping them at the county jail," said Judge MacFarland. "The board alone in the county jail would have amounted to 50 cents an inmate a day. I have not a doubt but that by the end of six months the need of a permanent institution will be clearly demonstrated."

A bill providing for a home for juveniles under supervision of the juvenile court for counties with populations more than 90,000 has been thrown into the house hopper by Holbrook of Wyandotte. It is expected that pressure will be brought to bear to lower the required population to 60,000. If this is done Shawnee county will be included.

Since they have held their present positions, Rooney and MacFarland have been working for an institution for juveniles under the supervision of the juvenile court.

Topeka's temporary institution was arranged for to give the idea a try-out following an agreement of the Shawnee county commissioners to furnish the necessary funds. Six boys and five girls were placed at the home during January. Mrs. Bundy is the matron in charge of the home.

TEST WATER HERE.

City Milk Inspector Equipped to Investigate Conditions.

It is no longer necessary for drinking water to be sent out of the city to be tested for impurities. The work is now being done in the laboratory of the city milk inspector.

Upon the recommendation of any physician in the city analyses of water will be made free of charge. Already water from three wells suspected of containing impurities or disease germs have been tested. A well at 121 Holman street was thought to be a possible source of typhoid, as the disease had appeared in a family using water from this well.

Before the city laboratory was equipped to do the work several days would have been required in which to ascertain the condition of this water. By taking the samples to the city laboratory time was saved. The water in this well was found to be of unusually good quality. Such, however, was not the case with the water in the well belonging to J. E. Burge, 624 Brooks avenue. Mr. Burge requested an examination and the water was found to be contaminated. Water in a well at 1196 Woodward avenue was also found to be impure and the persons using it were notified of its dangers. This well is located near the "dead end" of an old and almost forgotten sewer.

Since the installation of new equipment in the city laboratory, all milk sold in Topeka is not only tested for cleanliness and cleanliness but bacteriological counts are being made.

AGAINST STUDENT TAX

Yavapia Club Fights Student Activities Bill in the Legislature.

Manhattan, Kan., Feb. 3.—Students of the Agricultural college here are continuing their fight on the bill before the legislature providing that a special tax be placed on all students for the support of student activities.

Every self-supporting student in the school is opposed to the measure and many others think that it would be harmful to the school as a whole. Members of Yavapia club, an organization that is largely composed of self-supporting students, have drawn up resolutions against the bill.

GOLDEN ANNIVERSARY.

Prominent Vermillion Couple Were Married 50 Years Ago Tuesday.

Vermillion, Kan., Feb. 3.—Mr. and Mrs. Francis Andrews of Vermillion, Kan., celebrated their fiftieth wedding anniversary Tuesday. They were married near St. Bridget, Marshall county, Feb. 2, 1865.

Three children blessed this union all of whom were present at the anniversary. They are: William, of Gravette, Ark.; Mrs. G. A. Johnson of Lillis, Kan.; and Mrs. J. M. Leonard of this city.

Mrs. and Mrs. Andrews have made Vermillion their home most of the time for the past 25 years and have a large circle of friends who congratulated them on this occasion.

DYNAMITERS STILL AT LARGE.

Bomb Found at Weir City Blows Up Another Yard Tuesday.

Weir City, Kan., Feb. 3.—A sixth attempt in as many days, to blow up buildings in this city was made Tuesday night. A bomb was thrown into a yard where it exploded, causing but slight damage.

Several hundred citizens, aroused by the five previous explosions, headed by Harry Wilkinson, city marshal, into whose yard a bomb was thrown Monday night, spent most of the night searching for the person responsible. Authorities believe that they have to deal with a maniac, who has obtained his explosives from magazines of mines in the vicinity.

IN FIVE MINUTES NO SICK STOMACH, INDIGESTION, GAS

"Pape's Diaprepain" Is the Quickest and Surest Stomach Relief.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diaprepain, then you will understand why dyspeptic troubles of all kinds must go, and why it relieves, sour, out-of-order stomachs or indigestion in five minutes.

"Pape's Diaprepain" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diaprepain" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery. Get some now, this minute, and rid yourself of stomach misery and indigestion in five minutes.—Adv.

OUCH! PAIN, PAIN. RUB RHEUMATIC, ACHING JOINTS

Rub Pain Right Out With Small Trial Bottle of Old, Penetrating "St. Jacob's Oil."

Rheumatism is "pain only." Not one case in fifty requires internal treatment. Stop drugging. Rub soothing, penetrating "St. Jacob's Oil" right into your sore, stiff, aching joints and muscles, and relief comes instantly. "St. Jacob's Oil" is a harmless rheumatism cure which never disappoints and can not burn the skin.

Linger up! Quit complaining! Get a small trial bottle of old, honest "St. Jacob's Oil" at any drug store, and in just a moment you'll be free from rheumatic pain, soreness, stiffness and swelling. Don't suffer! Relief awaits you. "St. Jacob's Oil" has cured millions of rheumatism sufferers in the last half century, and is just as good for sciatica, neuralgia, lumbago, backache, sprains.—Adv.

TAKE SALTS TO FLUSH KIDNEYS

Eat Less Meat if You Feel Backache of Bladder Troubles—Salts Is Fine for Kidneys.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the back or neck region, sharp pains in the back or chest, the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder disease.—Adv.

Your Hair—Your Face and Your Hands

Having your hair shampooed properly and regularly, will more than anything else, tend to keep it beautiful, healthy and fluffy, as nature intended it should be.

If you would have your face free of wrinkles and other objectionable features, you must recognize the benefit of a properly administered facial massage.

And as for manicuring, most everyone knows the importance of keeping the nails in proper trim.

You Can Have All of These Aids Correctly Administered by Expert Artists in Our Beauty Parlors, Second Floor.

Children's Hair Cutting is also one of our specialties. We can supply you with anything you may require in the way of switches and other articles to assist you in properly dressing the hair.

A BIG PIGEON RANCH.

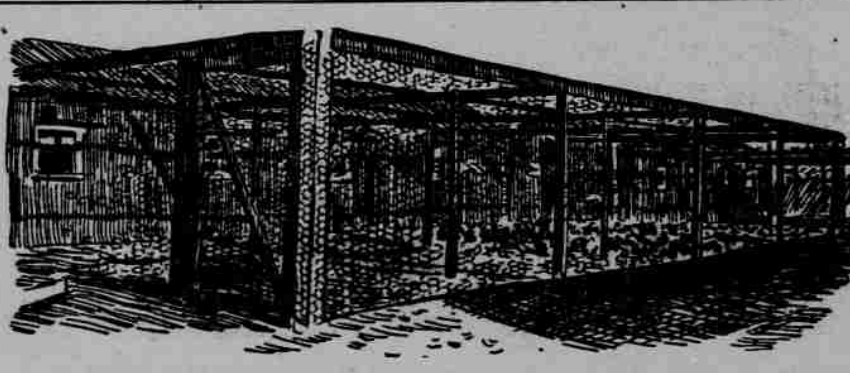

Rexford Man Has Over 2,500 Birds—He Sells Many Squabs.

Rexford, Kan., Feb. 3.—The pigeon breeding of H. A. Diemer, adjoining Rexford, Thomas county, is one of the interesting sights of this part of the state. It is only six years old, but every year Mr. Diemer has been adding to it until it has become a plant of large dimensions. He is a produce dealer of Rexford, and during his spare time conceived the idea that raising squabs for shipment was a paying proposition.

He started up his industry with eight pairs of Homer pigeons. In 1914 he had 2,500 old birds. He has seven houses besides a yard fenced in front of each bird house so that the pigeons are not out of their premises.

This year he starts in to raise prize birds and will operate with the Belgian Carneau. The squabs from these birds will sell for more on the market than the Homers.

In the last year Mr. Diemer shipped out 8,500 squabs and sold them for \$3 per dozen. So far all the expenditures and the prices paid have made him a good profit. The ranch is in its infancy, and Mr. Diemer expects to increase its capacity from year to year.

A Section of One of the Biggest Pigeon Ranches in Western Kansas.

fancy, and Mr. Diemer expects to increase its capacity from year to year.

IN TROUBLE ALL AROUND.

Former Kansan on Trial for Murder Being Sued for Divorce.

Hutchinson, Kan., Feb. 3.—While his legal wife is suing him for a divorce in the Reno county district court, Morris Bohannon, formerly of Kansas, is on trial for murder in Los Angeles, Cal.

Bohannon is charged with murder

of a California girl, it is alleged. The details of the case are not known here, but he is charged with being involved in a sensational affair.

In the meantime his legal wife, whom he had married in Wichita five years ago, and who charges that he deserted her two years later, is in Hutchinson.

She asks the court to restore her to her maiden name, Clare E. George.

AT LARNED HOSPITAL.

Legislators Visit Institution for Purpose of Giving Cash.

Larned, Kan., Feb. 3.—Representative Sherman G. Elliott of Douglas county, chairman of the house committee on charitable institutions, and Representative Milton of Stafford county, a member of the committee, spent Sunday at the Larned State Hospital investigating the needs of the institution. Other members of the committee were detailed by Chairman Elliott to visit the other charitable institutions of the state. On reassembling in Topeka the committee will report to the legislature whether in its judgment the appropriations asked for by the state board of control should be allowed, reduced or increased. Chairman Brooks of the board of control and State Architect Chandler accompanied the committee members on their visit to the Larned hospital.

It is the opinion of Chairman Elliott that the legislature for a number of years to come should be especially liberal in appropriations for the Larned hospital, until it is built up to an equality with the asylums at Topeka and Oswatimie and can care for approximately the same number of patients, 1,700 to 1,800.

AT GOVERNMENT'S EXPENSE.

Indian Prisoner Is Sent to Dying Daughter's Bedside.

Leavenworth, Kan., Feb. 3.—Joseph Keke, an Indian prisoner in the federal penitentiary here, left Tuesday night for the Bad River Indian reservation, near Ashland, Wis., that he may see his daughter before she dies. Keke, who is accompanied by a guard, is traveling at the expense of the government.

Before he has a man been allowed to leave the prison at the expense of the government, but officials of the Indian bureau had urged Attorney General Gregory to grant the dying girl's wish to see her father.

A LUCKY KANSAS LAD.

Student From Emporia Marries Woman Worth Half a Million.

Chicago, Feb. 3.—Mrs. Ella Babcock, who inherited \$500,000 when her husband died three years ago, today became the bride of Allen Dudley of Emporia, Kan., a student at the University school of music. Mrs. Babcock's first husband was James L. Babcock, who in 1888 was named heir to the estate of his uncle, James Babcock, provided he married within five years. Mr. Babcock died in 1912. Dudley is about 30 years old. His bride, it is said, is more than 50.

Result of Recent Battles.

"The Nations now at war are sowing hate and will reap thorns for their own impalement. Though Peace stops the fighting it will be a mockery. That is sure."

This European war was born of the hatred caused by earlier warfare—it will engender other wars between the same nations in the future. The sons yet unborn will carry this hatred in their blood to blaze into warfare when the spark is touched by Kings or Statesmen who are yet in infancy.

It's bad blood that makes your liver sluggish and the same bad blood causes your stomach muscles to lose their elasticity and become flabby and weak and that means indigestion.

Dr. Pierce's Golden Medical Discovery, purely vegetable and free from alcohol or narcotics, is not a secret remedy for all its ingredients are printed on wrapper.

Take this temperance remedy as directed and it will search out impure

and poisonous matter in the stomach, liver, bowels and kidneys and drive it from the system through the natural channels.

It will penetrate into the joints and muscles, and dissolve the poisonous accumulations. It will replace all the bad blood it drives out, with rich, pure blood full of vital force. It will furnish you with the kind of blood that puts the entire body in such perfect physical condition that brain or muscles know no fatigue.

It will clear the skin; eczema, pimples, rash, blotches will dry up and disappear; boils, carbuncles and other evidences of tainted blood will pass away never to appear again. Medical Discovery at any medicine dealer today, in either liquid or tablet form as you prefer. It's the one great blood purifier that all weak or rundown people ought to start to use at once. If you want good blood, good health and clear skin, get a supply today.—Adv.
